Precautions for Use
Please read carefully and comply with the precautions written on the back side of the account notification letter envelope and described below.

* Contact via Email
Kobe University sometimes sends notifications and announcements to your Email address. Please check your Email account periodically.
* Management Obligation of the Account Notification Letter Distributed
The accounts of our university are issued to all members of Kobe University. While you belong to Kobe University, retain and keep this account notification letter in a safe place. The purpose of this account is to authenticate an individual not only for services provided by the Information Science and Technology Center, but also for URIBO-NET (Kobe University Academic Affairs Information System) and Kobe University Library Information System. Therefore, it is prohibited to share any account with multiple users. For this reason, do not disclose your password, and do not place the account notification letter or any document with your password in open view for anyone to see. If you have lost this account notification letter, immediately contact to the Information Science and Technology Center in order to take necessary procedures for reissue of the account.

Contact
* Frequently Asked Questions (FAQ) and contact form are available on https://www.istc.kobe-u.ac.jp/.
* If these provisions do not solve your problem, contact 078-803-5370 (direct number).
